BACKGROUND

The need to see Zimbabwe become the breadbasket of Africa again is what brought about the birth of Mellcorp Engineers. Mellcorp Engineers was registered in the year 2015 and has been operational since 2018. What started as a wish, is now being realized as Zimbabwe's industry is now growing, we are excited to play an essential role for the smooth running of our industry. Mellcorp engineers saw a need to play a vital role for us to supply the manufacturing industry with spares to improve the efficiency of production and reduce or eliminate down time. We intend to become the preferred, superior supplier of spares in the whole southern region and Africa at large.
